### Orchard Piece Playing Field

At the last Parish Council it was agreed to delay the purchase of the new play-ground equipment until next year so that an application can be made to Cherwell District Council for funds to complete the development including: swings; climbing frame; paths that will be more accessible for bikes, scooters and prams; and gym equipment; in line with the successful lottery bid. The application will go be submitted in December and if successful work will start next Spring.

In the mean time a climbing frame for younger children is to be installed in the Mollington Playing Field.

### Road works

Lower Farm Lane, Roundhill Road and Church Lane are the next roads to be re-surfaced or repaired. Oxfordshire County Council will carry out the works in Spring next year.
